## About me

Very passionate about linguistics, Philology and Computers. I am an Arizona State University alumnus. I hold a Bachelor's of Arts in Italian Literature. I am currently exploring my newly discovered passion for computer science. In my spare time I enjoy learning, painting, and reading.

## EXPERIENCE

### Librarian Assistant, Cortez High School

2015-2017

- I was tasked with all aspects of the library from book maintenance and repairs to decoration.
- I assisted the school librarian with labeling books, auditing books, putting away books using dewey decimals, binding damaged books, and helping students find and check out relevant books for their academic and personal needs.

### Amazon, Litchfield Park – sorter

Jan 2021 – PRESENT

- Manage, sort, build, move, and label different packages going to numerous locations across the United States.
- Diligently label and send off packages to their respective locations.

### DoorDash, Surprise – Dasher

July 2019 – Dec 2019

- As a Dasher I was responsible for delivering hot meals to customers
- Customer satisfaction was is my number one priority

### English Tutor, Italy – High School tutor

2018-2019

- I tutored over twenty five high school Italian students in varying levels of english proficiency

### Starbucks, Tempe – Barista

Aug 2017 – Mar 2020

- I was responsible for making a variety of craft drinks and the preparation of food.
- Keeping working place clean and sanitary to comply with COVID guidelines
